\* Pastor Emeritus.

# The First Church

Is open daily throughout the  
year, from nine in the morn-  
ing until five in the evening,  
for the use of those who  
may care to visit it for pur-  
poses of private devotion. . .

Come in, and rest, and pray!

## Foreword by the Pastor.

The year which has just closed has been a notable one in the history of the "Old First." If every department of our work and worship has not shown the advance we hoped for and desired, there has been such a solid and substantial growth in so many directions that we can only think of the year 1908 with profound gratitude because of the blessings which it has brought from God.

The attendance at the regular services on the Sabbath has increased, and this is particularly true of the morning. The Wednesday evening Prayer Meeting still leaves a great deal to be desired, but during the Fall and with the advent of the better weather this Spring a great improvement is noticeable there also. May we not lay this meeting upon the hearts and consciences of our people and bespeak a more faithful and hearty support, requesting them not to make engagements which conflict with it, and not to issue invitations for social gatherings on this evening which require the presence of First Church members earlier than twenty minutes after eight. Surely this is not too much to ask of those who are followers of Jesus Christ and who have promised upon joining the Church to study its peace and prosperity.

Another year has but deepened the conviction that our present system of Benevolent Offerings—while not perfect—is admirably suited to the conditions which prevail among us. The hearty response to the weekly envelope plan, the fact that last year almost two hundred of our people contributed in this way, and the amount realized, seem to justify the belief that judged by its fruits the system is a great success.

The change in the date of the week of prayer from the first of the year to the week immediately preceding Easter, has approved itself by the great increase in the members present. The meetings this year were inspiring and helpful to an unusual degree.

The Communicant's Class was largely attended and the members of it were carefully instructed in all the great essentials of the Christian Faith.

The work of the Men's Club is particularly worthy of note. The great characteristic of the meetings has been a spirit of friendliness and good-fellowship. The organization has entered more than ever before into the life of the Church, and the series of meetings held under its auspices during March and April was a most distinct and qualified success. It is hoped that this may be a permanent feature of the Club's usefulness in the future. To this Club we are also indebted for the efficient way in which the ushers, under the leadership of Mr. Walter R. Seavey, have attended to their duties.

The problem of the Sunday School, like that of the poor, is one which is ever with us. The faithfulness of the few is not sufficient for the task which is laid upon them, but with the re-entry of Mr. E. A. K. Hackett into the active service of the Superintendency and with the inauguration of certain new plans, we can at least approach the future with hopefulness.

In conclusion the Pastor can only express his sense of personal gratitude to all those who have given unselfishly of their time and talent to the furtherance of God's work in this part of His Kingdom.

HENRY B. MASTER,  
Pastor.

## A Suggestion.

In the history of every Church situated as is our own, there are certain families whose names always have been prominently identified with its progress and with its support. It frequently happens, however, that with the lapse of the years, through removal to other cities, or by death, these names disappear from the Church rolls, and there comes a time when those whose devotion and liberality have helped to make the Church what it is in the present, have no representative or memorial to recall them to another generation of Church workers.

What a splendid thing it would be if many of our members could see their way clear to perpetuate the memory of their family's connection with the First Presbyterian Church by the gift of a certain sum of money, to be held in trust by the Trustees, the income from which could be applied toward the payment of the rental of a particular pew or sitting. For each gift of this kind a name plate would be provided and affixed to the pew or sitting designated. The effect of this would be to secure an endowment fund which would tide the Church over times of stress or depression and insure its continued usefulness when in the Fort Wayne which is to be, it will have become "a down-town Church."

If there are any who would like to meet this suggestion but feel they cannot do so in the present, a bequest in their wills could take the place of an immediate gift.

### **A Form of Bequest.**

I give and bequeath to the Trustees of The First Presbyterian Church, of Fort Wayne, Indiana, to be held in trust by them, the sum of.....dollars, to be appropriated and applied to the production of an income which shall be used for the payment of the annual rental of a pew or sittings. Such pew or sittings to be suitably marked in the name of.....

## Church Services.

PUBLIC WORSHIP.—Sunday at 11:00 A. M. and 4:00 P. M.

SUNDAY SCHOOL AND BIBLE CLASS.—9:45 A. M.

SACRAMENT OF THE LORD'S SUPPER.—Second Sundays of January, April, July and October.

BAPTISM OF CHILDREN.—At such services as may be announced.

MID-WEEK PRAYER MEETING.—Wednesday at 7:30 P.M. and also on Friday preceding Communion.

## Meetings.

THE "SOCIAL AFTERNOON" SOCIETY.—The third Friday of each month from October to May inclusive, 2:30 to 5 o'clock.

THE YOUNG LADIES' SOCIETY.—Every other Wednesday of each month from October to May, at 2:30 o'clock.

## The Pastor.

The Pastor will be in his study, 301 West Berry Street, daily, except Mondays and Saturdays, from 12:00 to 1:00. In addition to these appointed hours, he is always ready to go where he may be of any special service, when he is so requested or informed.

---

## Pews and Sittings.

Application for pews or sittings may be made personally or by letter to Mr. Joseph H. Orr, care First National Bank, or to Mr. Walter R. Seavey, at the close of the Sunday morning service, who will be glad to acquaint those desiring information, with the numbers and location of any vacant pews.

---

## The Sexton.

WILLIAM P. SPRANDEL,  
221 West Wayne Street.

The Sexton may be found at the Church every day in the week, from 9:00 in the morning until 5:00 in the afternoon.

GEORGE WALDSCHMIDT,  
Treasurer.

## Report of the Clerk of the Session

*For the Year Ending April 1st, 1908.*

Under Presbyterian form of government the Session is the ruling body in the Church, and has supervision over all departments of Church work. It consists of the elders together with Pastor, who presides as Moderator. As a rule all regular meetings of the Session are constituted with prayer by the Moderator and closed in the same way by one of the members. There are two officers of the Session in addition to the Moderator. The Clerk of Session keeps a record of the business done, and once a year this record must be presented to the Presbytery for approval or disapproval. The Treasurer of the Session has custody of all the benevolent funds of the Church and pays them out under the direction of Session. Then there are several Committees of the Session, each one of which is made up of two or more elders, which have charge, under the direction of Session, of some particular branch of the work.

During the last year the Session held fourteen regular meetings besides a number of informal

conferences. During the year twelve were received into membership on Profession of Faith and ten on certificate from other Churches. The rolls have been purged by dropping therefrom the names of those who have disappeared, or who have persistently neglected the ordinances of the Church.

It is the duty of the Session to take cognizance of the spiritual condition of the Church. This may be known in two ways, first by the gifts to benevolent objects and second, by attendance at the regular services of the Church.

As seen in the benevolences the spiritual condition of the membership of the Church is very satisfactory. Our members are disposed to be liberal and this reflects great credit upon them.

As seen in the attendance at the Sabbath service the spiritual condition is again shown to be good, but there is room however for improvement in the Wednesday night prayer Meeting. The Session would be glad if more of our people would support this meeting regularly and get from it the good that is in store for those who attend.

CHARLES H. WORDEN,  
Clerk of Session.

## Report of the Secretary of the Board of Deacons.

*For the Year Ending April 1st, 1908.*

Under another head will be seen the report of the Treasurer of the Board of Deacons. The object of this notice is merely to call attention to the large increase in our necessary budget and to urge the congregation to provide us with means sufficient to take care of it during the coming year.

As will be seen in the report referred to above, the Board has disbursed in monthly allowances the sum of \$450.00; for room rent, \$36.00; for special donations recommended by the Ladies' Society, \$25.00; and for coal, wood, groceries and medicine, \$13.43. This makes a total expenditure of \$524.43, an amount far in excess of the four collections, which constitute our regular income.

To provide for this excess it was necessary to draw a part of our money which has been invested, and which has been yielding us in interest, an amount each year equal to one of the collections. It will readily be seen that after another year of this sort, we will be reduced to entire

dependence on the quarterly offerings, and in that event either our benefactions will have to be curtailed or our collections largely increased.

At the present outlook it will not be possible to cut down the amount given each year for the support of our people who are in need without causing actual suffering, as the allowance now paid in each case is barely enough to provide the necessities.

Unless, therefore, the First Church increases its gifts to the Deacon's Board we will be under the reproach of not caring for our own poor, a condition which has never obtained, and which, to our thinking, is most unlikely ever to exist. The Board requests that these conditions be carefully reflected upon and that the regular quarterly collections be increased as much as possible.

E. RALPH YARNELLE,  
Secretary.

## Report of the President of the Board of Trustees.

*For the Year Ending April 1st, 1908.*

This meeting of the First Presbyterian Church, of Fort Wayne, is called for the purpose of transacting the temporal business of the Corporation, which is a legally organized body with definite powers conferred upon it by the laws of the State of Indiana. As such a body it has acquired property, contracted debts, received bequests, and may sue or be sued upon its obligations.

While it is not a profit-sharing corporation, it is composed of shareholders in the business sense; inasmuch as every contributing member shares equally with every other member in the power to determine by ballot all questions usually passed upon by the stockholders in any business corporation. According to the terms of our charter, obtained more than sixty-five years ago, five Trustees are to be chosen annually to represent these shareholders, as Directors are elected to represent stockholders in business corporations; and, again as in business corpora-

tions, these Trustees are required to keep a record of their proceedings, which shall be open to the inspection of all persons concerned.

It is therefore proper, as it is customary, that reports of the financial affairs of the corporation shall be made at this meeting, and it is highly desirable that the expenditures during the past year shall be carefully considered and freely discussed—not in a spirit of captious criticism, but in order that every shareholder may be informed as to the needs of the Church and the methods adopted to provide for these needs; and be thus enabled to determine whether he is assuming, to the full, his share of the obligations which rest upon us all.

Discrepancies between the estimate and the result are not uncommon, and we may be pardoned if, in a spirit of optimism, we have somewhat exceeded the limits which cold prudence would have drawn. For who can be other than an optimist when estimating the possibilities of this First Presbyterian Church of Fort Wayne, being mindful of its long and honorable record and with the stimulus of its present awakening strong within him.

Few, if any, of our sister Churches throughout this land can show such striking growth in its benevolences as was revealed in the reports

read here one week ago to-night. It is, therefore, with added pleasure that we submit for your consideration our Treasurer's report of the amounts collected and disbursed during the past year, inasmuch as it reveals a similar condition of healthy expansion in the temporalities of the Church, which devolve upon us, your business representatives, in an earnest endeavor to maintain the Old First in the place it should fill in this growing city.

It is with a warm feeling of pride in our fellow shareholders that we lay before you the details of what you have enabled us to do for you; and of confidence that the exhibit of what has been done will but spur you to a more effective effort to realize what can be done.

We take great pleasure in the fact that, with the one exception of the choir, it has been unnecessary to call upon you for special assessments. The expenses of the Sunday School, allotments to the Sinking Fund, interest upon the bonded debt are now met out of the general Trustee's fund, whereas, formerly, they were usually provided for by special contributions. This should be borne in mind when comparing the total expenditures this year with those of former years.

It will be instructive to make an estimate, or what may be termed a minimum schedule of fixed charges using, as a basis, the amounts so expended during the year just closed. The minimum calls for the disbursement of \$7,625.00.

The sum apportioned to the Sinking Fund, from which it is expected the bonded indebtedness of the Church will be paid is not sufficient to accomplish its purpose and must be increased. The first bond matures next fall, \$1,000 in amount, and the Sinking Fund will be large enough to meet the obligation. But for future Bond payments a more adequate provision is necessary. The sum apportioned to insurance is the average annual amount which should be set aside to meet the premiums as they fall due.

It will be noted (see report of Treasurer) that our actual expenditures for the past year, including Sinking Fund, unpaid Salaries, Bills, total, \$8,405.83, or nearly \$800.00 more than the estimated minimum. The increase being accounted for in the items of Choir, Sunday School and Pulpit Supply. With a liberal provision for unforeseen expenses, which are sure to come, we may estimate that the expendi-

tures, after doubling the amount set aside for the Sinking Fund, should not exceed \$8,300.00.

What resources have we from which to defray these expenses?

The seating capacity of the Church Auditorium is 690. The rental capacity, on the basis of our present schedule of prices, is \$11,811.00. Our register shows actual rentals, as of April 1st, 1908, amounting to \$8,500.00, derived from 200 contracts covering 520 seats. We have, therefore, an unsold seating capacity of 170 seats, which if sold, would increase our collections \$3,300.00

Your attention is called to the discrepancy between the number of rental contracts (200) and the actual membership of the Church (566). Many of the 200 are heads of families whose pews contain a large proportion of our membership: But there are many who have not availed themselves of the opportunity to become fully accredited members of the Corporation, and we urge them to do so without delay.

In conclusion, we thank you for the honor of serving you in this capacity; for it is an honor to be Trustee of this or any Church, and so much is to be gained in the way of enlightenment, while endeavoring to be worthy of

your confidence, that we feel every shareholder should, in rotation, be invested with that honor and developed through that enlightenment.

THE BOARD OF TRUSTEES.

CHARLES L. OLDS,  
President.

## Report of the Superintendent of the Sunday School.

*For the Year Ending April 1st, 1908.*

The optimism expressed by our former Superintendent, Mr. E. Ralph Yarnelle, as to the year's work just past has not been realized, and there has been no improvement in our school in numbers. notwithstanding the devotion of our faithful members.

The School is not a representative one for such a magnificent Church membership as we have here in the First Church, and until such time as our members take this Bible School to heart and see their children come, and regularly, the blessing that is in the School will be lost to them.

We have continued to use the Blakeslee system, and to the entire satisfaction of all—teaching the scholar how to “search the Scriptures.”

The privilege of teaching is too lightly regarded. It is imperative that the teacher be regular and prompt in attendance at every session, to set the correct example after which the scholar

may pattern, that their interest in the School may be increased and they be brought to confess Christ as their Saviour.

To one and all we are indebted for their efficient loving service in the Lord's name.

To Miss Margaret McPhail, Mrs. George W. McCaskey, Mrs. J. C. Straughn, Miss Margaret Saylor, Miss Ignota B. White and Miss Helen Jackson we are also indebted for valuable help in teaching, circumstances not permitting their continuance at the present time.

To our Treasurer, Mr. William A. Nichols, and Secretary, Mr. Bruce Elliott, our thanks are extended for the faithful performance of their duties.

Had it not been for our Chorster, Mr. E. F. Yarnelle, who has acted as Superintendent during the long absence of the Superintendent, the work would have been crippled indeed.

The grim reaper, death, has visited our School during the year, taking from our midst some of our scholars, but we know whom they have believed in, and that the departed ones are now with their Saviour in Heaven, where there is no sorrow nor tears, but perfect peace,

For him who has been elected Superintendent for the ensuing year, Mr. E. A. K. Hackett,

whom all delight to honor, we ask the heartiest co-operation, that our School may be blessed under his guidance.

ARTHUR H. PERFECT,  
Retiring Superintendent.

## Report of the Woman's Missionary Society.

*For the Year Ending March 15th, 1908.*

Each Missionary Society is the product of its own environment. No two Societies are in all points exactly the same.

As a somewhat conservative spirit has always prevailed in our Church, manifesting itself in a love for methods and customs that have been tried and not found wanting, I have little that is new to report.

On the second Friday of each month we hold our regular monthly meeting in the Bible class room of the Church. The hour of meeting during this year is from three o'clock until half-past four in the afternoon. Connected with each month is the study of a particular home subject and foreign country—for instance, in the month of April we always study the conditions existing among our freedmen, and the progress of our special work among them. Also, with equal care and interest, we endeavor to learn all that is possible of our missionary work in India.

At the beginning of the year a chairman for each monthly meeting is chosen from among our active members, upon whom rests the responsibility for the meeting assigned to her. Printed programs are issued containing the order of the year's work.

While the social feature has not been the object of our missionary meetings, the Association has unconsciously developed a feeling of comradeship, which is shown in the tendency to linger at the close of the meeting for a friendly chat or a courteous word of greeting.

The review of the year's work fills our hearts with thankfulness to God for the way in which He has led us and the privileges and opportunities accorded us.

Our glad refrain is not without its minor chord, as from our midst have been taken two well-beloved members of our society. We mourn the absence of Mrs. D. N. Miller and Mrs. T. R. Pickard; we miss their presence and never-failing devotion to our work.

Our Secretaries and Treasurers in the following reports will furnish some idea of the work undertaken by us and what we have really accomplished during the year that has just closed.

MRS. CHARLES L. OLDS.

## Report of the Home Secretary.

A Home Missionary meeting has been held each month during the past year at the regular time and place with an average attendance of eighteen, which is one less than the average for last year.

There are now seventy members enrolled as contributing members, and when it is remembered that by virtue of her membership in the First Church every woman becomes thereby a member of both the Home and Foreign Missionary Societies, the room for improvement in this direction is manifest.

The Society is now contributing to the salary of Miss Russell, and to the salaries of teachers in the Mary Allen School for Negro girls, in Texas; and to the Mary Holmes Freeman School, in Mississippi; also to all the regular Synodical Home interests. Our gifts for the year total, as per the Treasurer's report, \$447.92.

MRS. RALPH E. PIDGEON,  
Secretary.

## Report of the Foreign Secretary.

As the Home and Foreign Missionary Department of the Society are combined the latter half of the hour is given to the Foreign field which has proven most interesting, especially the work in Tabriz, Persia, where our own Missionary, Miss Lily Beaber has charge of a Girls School which has been established for more than forty years and now has an attendance of over an hundred and sixty pupils. It is a privilege and an honor to have in the foreign field a representative from our own church, and one so experienced and so eminently fitted for the task. Miss Beaber's many accomplishments have enabled her to start many different forms of work in the school, and in this way she has reached many members of families that otherwise could not have been influenced.

Through one Synod we have come in close touch with the work in Korea, where Christianity is today making its most rapid advance. We pay the salary of Miss Snook, of Pyung Yang, whose work as a Bible woman and teacher is under the supervision of Rev. Samuel Moffett, D. D.

Another Foreign Synodical object is the salary of Mrs. Hugh Taylor, of Lakawn, the capitol of Dass, a country tributary to the Kingdom of

Siam. The Presbyterian Church is the only denomination which has established missions among the Siamese and people of Laos.

The salary of Miss Duncan, an Indian girl, in the Girl's School at Ningpo, China, the payment of traveling expenses and outfits of new missionaries are also Synodical objects to which our Secretary contributes.

On these subjects and the countries where mission work is being carried we have this year listened to splendid talks during the half hour given to the work of the foreign field.

MRS. WILLIAM A. NICHOLS,  
Foreign Secretary.

---

### **Report of the Secretary of Literature.**

During the past year the following subscriptions have been received :

Woman's Work.....	28
Home Mission Monthly .....	16
Assembly Herald .....	12
Missionary Review.....	4
Prayer Calendar (Home).....	10
Prayer Calendar (Foreign) .....	10

MRS. JOHN W. DONIVAN,  
Secretary.

## Report of the Missionary Tea.

*For the Year Ending April 1st, 1908.*

While the name of this branch of our women's work in the Church is difficult to handle in a report, it is so well understood by all our people that no change seems necessary or advisable. Years ago when this Society was first organized it was our custom to meet in the homes of the different members, taking our own lunch and spending practically the entire day. When the work increased and the Society grew in numbers the burden of entertaining so large a gathering forbade the meeting in private houses and the meetings were transferred to the parlors of the Church. The meetings have always been held on the first Friday of the month, commencing with September and closing with March or April, as the necessities of the work demanded. It is still our custom to bring our noon lunch and call the meetings Missionary Teas.

During the last few years we have invited the men of the Church and a nominal charge has been made for this dinner. These meals are

provided through subscriptions and contributions by the various members of the Congregation and the amount collected at each of them represents therefore practically clear gain. As the financial report shows, the money thus received is very largely given to the work of the Home and Foreign Missionary Societies. In addition to this, during the past year we have sent Christmas gifts to the Miss Case School, at Revere, North Carolina, and a barrel of table linen and bedding valued at \$50.00 was also sent to the School at Wolf Point, Montana, which is an Indian Mission and Industrial School for boys. Perhaps the best justification of the Missionary Tea Dinners is the evident feeling of friendship which results from this periodical gathering and association of so many of our people. They furnish an unusually pleasant opportunity for the strangers who come amongst us to meet no small proportion of the balance of the Congregation.

MRS. HUGH M. DIEHL.  
Treasurer and Director.

## Report of the Ladies' Society.

*For the Year Ending April 1st, 1908.*

The Ladies' Society has met in social session at the homes of the various members during the year.

In June, at the invitation of Mrs. John H. Bass, a meeting was held at beautiful "Brookside." Mrs. Gaylord M. Leslie and Mrs. D. N. Foster assisting. A pleasant afternoon was spent listening to music by Mrs. Frank Culbertson and looking over the charming grounds. A sudden storm prevented the usual large attendance.

In October the ladies met at the home of Mrs. George P. Evans, assisted by the officers of the society. The Society met in November with Mrs. Charles H. Worden, assisted by Mrs. Charles E. Crall, Mrs. E. T. Williams and Mrs. George W. McCaskey, thirty-four members were present.

In December a special meeting was called at the home of the President, Mrs. Albert E. Bulson, to consider the Christmas decorations of the Church. The decorating was done by Mrs. John Jacobs, Mrs. H. T. Stapleford and Mrs. Nellie M. Fee, members of the flower committee, assisted by the President and Secretary.

In January the ladies again met with Mrs. Charles E. Read. Mrs. Charles L. Olds, Mrs. Frank Stouder, Mrs. Frank L. Taft and Mrs. E. P. Myers assisting. Members present, forty-seven.

The next meeting in February, was held at the home of Mrs. L. C. Hunter. Mrs. Hugh M. Diehl, Mrs. David H. Caldwell, Mrs. A. L. Johns and Mrs. W. S. McKay assisting. Coming so near Washington's birthday the ladies met in costume, the house was decorated with flags and an exceedingly pleasant afternoon was spent. Thirty-two were in attendance.

In March the regular meeting was held at the home of Mrs. James M. McKay, assisted by Mrs. W. M. Leedy, Mrs. William F. Reitze, Mrs. R. S. Patterson, Mrs. Louis Bourie and Mrs. R. W. Cecil and Mrs. W. H. Tigar. Twenty-eight ladies were present.

During the year the Society has contributed the sums of \$10.00 to a struggling church at Warroad, Minnesota, and \$1.00 to the Aid Society of a small church at Salt Lake.

Flowers and greens were purchased for the Christmas decorations of the church. Flowers have also been sent to the homes of the various members of the church visited by death. Mrs. Nellie M. Fee, Mrs. H. T. Stapleford and Mrs.

John Jacobs have attended faithfully to this duty.

The purchasing committee, Mrs. H. T. Stapleford, Mrs. J. W. McKay and Mrs. E. F. Yarnelle, has supplied one dozen knives and two dozen silver forks for the church kitchen.

The evening entertainment New Years Eve was presided over and the refreshments kindly donated by our president, Mrs. A. E. Bulson.

Although the attendance during the year has been good, the ladies are desirous of adding to the number and earnestly wish that every woman in the congregation would consider herself a member and join the circle in their monthly meetings, where she will receive a very cordial greeting.

The next meeting in April will be at the home of Mrs. Nellie M. Fee on Fairfield Ave., Friday the 24th, and a full attendance is earnestly desired

MARY ELLEN MILLARD,  
Secretary.

## Report of the Young Woman's Society.

*For the Year Ending April 1st, 1908.*

The Young Woman's Society of the First Presbyterian Church, was organized with a three-fold object, first to assist in such charitable projects as might present themselves; second, to aid the various departments of the Church, when need should arise; and, third, to further a social interest among the young people of the Church.

In this last named effort we feel marked progress has been made during the year just ended. The social meetings held at the homes of our various members every two weeks, have been well attended, and an effort has been made to bring the strangers to these meetings.

Toward the close of the year ending April 1st, 1908, the society undertook to furnish and maintain a room in Hope Hospital. New furniture and supplies were purchased, and the room was completely renovated. Owing to unlooked for expenses, arising in connection with the re-decorating of the walls and painting of the floor and wood-work, the society found itself with a debt of almost one hundred dollars—\$100.00 at its first meeting in October.

From the annual sale and supper in December, which is our chief source of income, enough was realized to pay off this debt; meet the pledge toward Miss Beaber's salary; and that to the Visiting Nurse's League, of this city; to vote the usual sum for Easter decorations in the Church; and to add to the supply of linens, and purchase a much needed couch for the hospital room.

Thus, while we have not been able to undertake any notable new work, we feel grateful to close this year free of debt, with a bright prospect for growth another year.

MRS. CHARLES W. LANG,  
Retiring President.

## Report of the Christmas Manger Committee.

In connection with the beautiful service of Christmas, Sunday afternoon, a Committee was appointed to distribute the gifts offered by the Sunday school and the congregation. This Committee, composed of Mrs. S. M. Foster, Chairman, Mrs. George W. McCaskey, Mrs. Frank H. Cutshall and Miss Hoffman, met on the following Monday and went carefully over the contents of the Manger. In addition to almost ten dollars in money, and three orders of one dollar each in groceries, and an order for a box of oranges, they found 13 dolls, 39 books, 38 pairs of stockings, 14 pairs of mittens, 21 boxes of candy, 1 blanket, 93 toys, 38 packages of groceries, 60 articles of clothing, and 12 miscellaneous gifts.

All the needy children in our own Sunday school were first provided for, then packages of clothing, groceries, toys, et cetera, were sent to eleven worthy families, and the balance of the gifts were distributed to the Visiting Nurse League, Hope Hospital, and the Allen County Orphan's Home. Some of the money still remains on hand and this will be used to buy shoes

for any of the Sunday school who are without them—there are two cases of this kind under consideration at present.

We can only express our thanks to the large number who took part in this Christmas Service and whose liberality gave such pleasure and help to those who really needed it.

MRS. SAMUEL M. FOSTER,  
Chairman.

## **Report of the President of the Men's Club.**

*For the Year Ending April 1st, 1908.*

The Men's Club of the First Presbyterian Church is just closing its second years work. Its object is, in the words of its Constitution, "to secure the Associated services of the Men of the First Presbyterian Church and Congregation in religious, philanthropic and social work."

The work that was begun and carried out during the first year with great zeal has inspired us this year to strive for an equal measure of success and made us ambitious to increase and strengthen the good influences of the Club.

The Club undertakes work along several lines, which for its better performance has been classified and each branch placed under the direction of its own committee.

The committee on religious work looks after the comfort of the Congregation during the services of the Church—providing the ushers and looking after the welcome and reception of strangers. The series of addresses on "The Bible and Science" delivered at the Church during the month of March was the result of the faithful service of the Committee on Religious

work. The following subjects were treated from the standpoint of modern scientific investigation :

“ ‘The Bible and Geology,’ ” by Professor Stanley J. Coulter, Ph.D., Dean of the School of Science, Purdue University.

“ ‘The Bible and Astronomy,’ ” by Professor Charles A. Waldo, Ph.D., Professor of Astronomy, Purdue University.

“ ‘The Bible and Archaeology,’ ” by Professor Ira M. Price, Ph.D., Professor of Semitic Languages, Chicago University.

“ ‘The Bible and Science,’ ” by Professor John M. Coulter, Ph.D., L.L.D., head of Department of Botany, Chicago University.

Great credit is due the Social Committee for the excellent entertainment afforded the members of the Club at the monthly meetings.

The membership committee has done some fine work for increased membership, still there is a goodly number in the Church and Congregation who ought to become members of the Club. The dues are nominal, \$2.00 per year. The pleasures and benefits of the Club ought to be very attractive and the spirit of the Club is very social and cordial.

The meetings have all been well attended—enthusiasm and good fellowship have prevailed throughout, and everybody has seemed pleased and benefitted.

We are greatly indebted to the speakers who have made up our splendid program and take this occasion to express to them the thanks and appreciation of the Club.

The following list of speakers and their subjects illustrates the quality and variety of entertainment which the Club affords.

October—Prof. R. F. Hoxie, Chicago University. “The Outcome of Modern Trades Unionism.”

November—Mr. John H. Glazier, Terre Haute, Ind. “Busted”—a study in Optimism.

December—Mr. Henry W. Thurston, Chicago. “The next step in Juvenile Court Work.”

January—Dr. James M. Bell, Washington, D. C. “The Modern Theory of Soil Fertility.”

February—Rabbi Max Merritt, Evansville, Ind. “Abraham Lincoln.”

March—Judge Lemuel W. Royse, Warsaw, Ind. “The Uses of Party and Sect.”

April—Rev. Andrew V. Meldrum, D. D., Cleveland, Ohio. “The Scotch in American History.”

May—Annual Banquet.

All in all it has been a fine year—may the next one be even better.

CHARLES H. DUNKELBERG,  
President.

## Report of the Membership Committee.

*For the Year Ending April 1st, 1908.*

The Membership Committee of the Men's Club, of the First Presbyterian Church, begs to make the following report of work done by it.

The Committee, as organized, is as follows : Dan N. Beers, David H. Caldwell, A. Dorsey, Alfred D. Cressler, and Alfred T. Lukens, who by virtue of his office. *i. e.*, Third Vice-President of the Club, is Chairman of the Committee.

After organization we proceeded to have application blanks printed and distributed among the members, with instructions to solicit members of the Church and Congregation to become members of the Club.

We have avoided in our work any appeal to those connected with any other Church, and have sought to interest members of our own Church and those who had no Church home, and whom we thought might be induced to affiliate with us.

The result of our work thus far is the addition of fourteen members. The Club at present has a membership of one hundred and twenty-six.

We are free to say, had we given the work more careful, personal attention, a great many more members would have been added to the Club list.

A. T. LUKENS,  
Chairman.

## Report of the Entertainment Committee.

Your committee which has had in charge the reception and arrangements for the monthly meetings of the Men's Club, wishes to submit for your consideration the following report, covering the work of this committee for fiscal year, ending May 12th, 1908.

In general outline, we have arranged for and appointed the several sub-committees and they in turn have furnished the refreshments for their respective evenings; keeping in mind to a great extent simplicity and promptness in service. While our labors have been small, we have endeavored to maintain a standard which would satisfy not only the Club members, but our visitors, whom we are always glad to welcome.

As to those visitors who have chanced to come among us, we have spared no trouble in our efforts to have them feel at home and well served. In fact, this has been our aim during each of the eight meetings in regard to all who have attended.

How well or how neglectfully we have executed these duties we will permit you, yourselves, to judge.

WALTER R. SEAVEY,  
Chairman.

## Report of the Religious Work Committee.

The Men's Club, through their Religious Work Committee, have just completed a course of four lectures, on the subject of "The Bible and Science." These were delivered in the Church Auditorium, in four successive Sunday afternoons, beginning March 15th, and a general invitation was extended. The topics discussed by four of the leading scientists of the Middle West, were the Bible in reference to Archeology, Astronomy, Geology and Science. As a whole they were handled in an effective and scholarly manner, treating generally of the attitude of Science and the present Scientific Spirit towards the Christian Religion.

These meetings accomplished all the committee hoped for, not only in stimulating religious thought along new and interesting lines, but also in strengthening one's faith and establishing clearly and unmistakably the great fact, that science and scientific men are so far from being inimical to Christianity that they are really among its truest friends, and are constantly reading into the Bible new and deeper significance.

On account of the success of these meetings and the cordiality with which they were received, the committee suggests that the Men's Club

make them an annual occurrence, and each year select some subject of this nature upon which thoughtful men can deliberate and speak. There are many questions relating to the different phases of Christian service which might be studied with great profit by all.

This committee entertains the hope that the Men's Club will furnish next year a similar course, and they feel sure it will be received with enthusiasm.

E. RALPH YARNELLE,  
Chairman.

## Report of the Reception Committee.

This Committee may be, to some of you, a new feature of this Clubs work, but we can assure you that the Entertainment Committee has found much for it to do. In fact the scope of the work which should come under its jurisdiction is so broad that could we enlist the active effort of each member of this Club we would only have began our labors. Take for instance the one feature of visiting strangers to the various Church services, and the effort to care for their welfare after they have come into the Church. This seems to be, should be, a personal duty of every right thinking man.

Your Committee has endeavored by it's representatives to attend each and every Church service, during which we have handled the literature, the Hymnals, the collections, and cared for the strangers. No stranger has gone his or her way without some recognition from some one of the committee.

WALTER R. SEAVEY,  
Chairman.
